Ed's Letter

This issue is possibly the hottest *Club DVD* we've brought you so far, in my humble opinion! We caught up with the cast of the mighty Digital Playground's latest blockbuster, *Teachers*, especially for you guys! I sat down with one of the film's stars, Katsuni, for an in-depth chat about the best position for anal sex and what it's like to work with some of the sexiest people on the planet. We also tracked down Sunny Lane, who filled us in on blowbangs, tantric sex and life at the Bunny Ranch. As always, I 've handpicked the most beautiful girls in the most gorgeous scenes, just for you! We bring you Page 3 beauty Natalie Oxley, getting her kecks off in *Club DVD* for the first time – on page and on screen. Czech starlet Suzie Carina gets hot 'n' horny – and, more importantly, nude – and another first-timer, Natalia, shows us her wares – and very nice they are too. The beautiful Daria Glower plays Bond girl in a gold bikini, and last, but by no means least, Sonia and Tea get intimately acquainted, and we could swear that they enjoyed every second! I asked Paul Raymond favourite, Jo Guest, to look after the place for me while I was away for a few days, and the girl caused pure havoc! Check out the results on page 32, and again on your DVD. Oh, and don't forget to enter our exclusive competition to win your very own pussy-in-a-can! As always, we have the usual news, reviews and cooze, and we hope you enjoy perusing this issue as much as we enjoyed putting it together!

Until next time, Love & kisses,
Tamara xxx

PS. Please don't hesitate to contact me with your comments or suggestions. Is there something you love and want to see more of? I wanna hear from you! Email me at tamara@paulraymond.com, and I'll do my best to accommodate your wishes…

COMPETITION!

In case you missed the cover, this issue of *ClubDVD* is a special one. Not that every other issue we bring you isn't special, it's just that this one is slightly more so. Those lovely people over there at Digital Playground, in the US of A, have not only let us loose on one of their top starlets, Katsuni, they've also chucked us a copy of their brand new blockbuster, *Teachers*, for one of you lucky lot to win. The DVD is signed by another of the Digital Playground stars, Riley Steele, who also appears in this hardcore extravaganza. In case you've been on Mars for the last few years, Digital Playground is one of America's porn giants, with contract stars such as Jesse Jane, Stoya, Angelina Armani and Gabriella Fox. Believe us, *Teachers* lives up to the DP quality and reputation. To be in with a chance to win this exclusively signed masterpiece, just answer this easy-peasy question (clue: the answer lies within this issue!): What is Katsuni's new lingerie company called? Send your answers to; Digital Playground comp, *ClubDVD* Magazine, Interactive Publishing, 207 Old Street, London. EC1V 9NR. Good luck!

BOOBS!

In this age of political correctness, we find it refreshing to see a bit of honesty in day to day life. Not sure how well this sign, emailed in by Lee from Saltash, would go down in the workplace, however…

GOLDMEMBER!

What's the most you'd pay for a sex toy? £50? £500? Well, a Saudi businessman decided to be a little more generous with his money. The anonymous gentleman, who apparently has an allergy to the materials that penis enlargers and the like are made of, hired a Canadian manufacturer and a jeweller to make the perfect toy. The £30,000 (no, that's not a misprint – £30,000!), 18-carat gold enlarger is encrusted with 40 diamonds. That's what we call inflation...

You'd think if someone was planning to go out and steal some cars, they'd try to be as inconspicuous as possible, right? Wrong. Well, at least in the case of one man in America. Local police say they spotted the guy wearing just a pair of tiny swimming trunks and holding a toolbox, which they later discovered he'd stolen from a truck. The scantily-clad man fled from cops in East Hartford, Connecticut, but a police dog tracked him hiding behind a car and bit him. He was arrested and, at press time, he was being held on $50,000 bail. Quite a package...

BY RAUNCHY RACHEL

It's so wrong, but also so right!

THREE FOR TWO!

If you were given the opportunity to change one thing about women, what would it be? For the nagging to stop? For them to actually understand and enjoy cricket/football? What about, I don't know, giving them another clunge? Well, apparently that's not as brilliant as it sounds – according to a 28-year-old British lady, who did actually have two vaginas. She suspected something might be amiss when she regularly had 21 day periods [21 fucking days? Surely hell on earth? – the Ed], and went to the docs when she finally grew tired of them. After numerous tests, misdiagnoses and general head-scratching, the truth was revealed. Apparently this is a recognised medical condition called 'bicornuate uterus', although we're kind of wondering how her long-term boyfriend never noticed he had 3 holes to choose from. Brings a (w)hole new meaning to the phrase 'every hole's a goal!'

A new hospital in Changsha has begun a campaign to warn men of the dangers of wearing pants that are too tight. To make the point about the adverse health affects of wearing snug undergarments, the Chinese hospital has hung a massive pair of yellow Y-fronts from the roof. And when we say massive pants, we mean massive – they were 12 feet long and 9 feet wide!

Cop an Eiffel of ~~her!~~

IN YOUR FACE!

Good lord *ClubDVD*! You're either getting more edgy or more kinky! Fair play. I for one approve of this new direction.
Paul D, email
P.S. Any chance of a free copy of Harmony's *The Wicked Ones*? That magnified pussy gave me an instant medical porn horn!

Well Paul, I'm afraid our review copy has gone 'missing', but we might be able to dig through our dirtbox and find you a DVD of similar quality.

IN YOUR FACE AGAIN!

Bukakke! What's not to like? As a Japanese national, I don't understand why bukakke hasn't set the world alight sushi style. When are you going to cover the exciting world of schoolgirl knicker vending machines?
Isamu, email

Regarding last month's bukkake feature, please don't put raw fish into our bukkake wankbank – some things should never be mentioned in the same sentence (oh, and that includes schoolgirl knickers and vending machines I'm afraid).

MOULDEN OLDIES

Old blokes and porn don't mix you fools. Cease and desist or I'll cancel my subscripton. If I wanted to see oldies getting on, I'd go and buy *60 Plus*!
Albert, Eastbourne

Albert from Eastbourne? You don't exactly sound like a spring chicken yourself! Leave Shigeo Tokuda alone, he's a very, very cool dude. And if you're still getting wood at 74 we'll eat our collective hats (unless we're all dead because you're younger than us). Talking of hats...

YO HO HO!

You've got to be kidding me, is that guy for real? How do these people end up filming/shagging all these beautiful women? **[We assume you're talking about Jonny Rebel? – Ed]** The last time I wore a headscarf, every girl I knew told me I looked like a dick. I mean, come on, pirate bandanas – what is this, the 1700's?
Larry, Beds

Have some respect, Larry – Mr Mason is a bonafide porn legend! Plus, that bandana's probably seen more action than your little toe...

SATIN BLUE STEEL

I thought I'd found love! Satin, my beauty, you seemed so sexy and yet strangely familiar. But wait. That face, that pose... could it be? A certain Ben Stiller fashion spoof film... noooooooo! Another dream bash-off ruined.
Johnny Z, email

We've no idea what you're on about Johnny, but all of our models can do 'Blue Steel'.

I can dere-lick my own balls, thank you!

I thought you said I want my car keys!

THE AMAZINGLY EDUCATIONAL club DVD WORD-SEARCH TOSSARY

Frotteurism – You're squashed up on the tube when you feel someone, well, rubbing themselves against you. Creepy, huh? Well, they may be suffering from frotteurism, a condition that sees the sufferer get off on rubbing themselves up against another person. Without their consent, obviously. Otherwise, where would be the fun? Duh…

Cop's Delight – Methinks this one may have originated in the States. First, you need a woman. A compliant woman, that is, and you need to persuade her to let you fuck her up the arse. Just before you feel yourself about to explode, pull out and unload all over her backside. The result, we're sure you'll agree, resembles a big, yummy, glazed doughnut – hence Cop's Delight…

Zelophile – A zelophile is someone who gets turned on by their partner getting jealous. Fuck me, that's a whole world of pain, surely? Bad enough having a girl who purposely flirts with other guys to piss you off, but then to get off on your reaction? Nah, that's too much even for me…

Shrimping – This is the term for sucking or licking your partner's toes. Mmmm, yummy!

Hit And Run – We've all done it – waking up in a strange bed, next to a fucking strange person, that you could've sworn looked like Brad / Angelina the previous night when you were shagging them. What do you do? If you're anything like us, you fuck off as early and as quietly as possible, as not to wake them up. This avoids possible embarrassment and, more importantly, having to ever talk to them again…

Cataphilist – I know a few of these, and I'm sure you do as well. A cataphilist is a man who gets his rocks off by being dominated by a woman. Although this is usually his missus, it doesn't have to be – just look at dominatrixes and their clients. There are definitely a few women in this world that I'd become a cataphilist for!

Plating – Not for the weak-stomached! Take a clear glass plate – you might want to err on the side of caution and use a larger one – and place it on your partner's face. Then, how can we say this delicately? Take a large dump on it. Your partner gets the benefit of the, umm, lovely view, without the hassle of cleaning it all up. Unless that's your bag of course, but then that's another Tossary…

Formicophilia – Formicophilia is the proper term (as if there's a non-proper term!) for getting turned on by ants, of all things! Yup, the feeling of those little blighters crawling over the genitals and even into orifices really do do it for some people! Some formicophiliacs say that it's actually the ant bites that turn them on. Fuck, I really have heard it all now…

Symphorophilia – Now this is a strange one, even by our standards. A sufferer of symphorophilia gets sexually excited – 'turned on' to you and me – by natural disasters. Yup, earthquakes, hurricanes, tornados, tidal waves all have a sexual appeal. No, we don't get it either…

The Bronco – So, you're fucking your partner in a fashion of the doggy persuasion, she's loving it and getting right into it. Now's your chance. Grab her tits as tightly as you can, then yell another girl's name loudly. If you get this right, she'll start to try and buck you off of her, creating a bucking bronco effect!

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! Find the term listed that is not included in the grid, and you could win some porno prizes! Send your answer to *Club DVD* Wordsearch, PRP, 3rd Floor, 207 Old Street, London. EC1V 9NR. Competition ends on 26th November 2009, and the first name to be pulled out of the hat wins a *Club DVD* goodie bag!

SEE ME ON YOUR XXX DVD!

Some of you may recognise Natalie here from a certain British tabloid. That's right, we are trying our very best to corrupt the nation's Page 3 girls, just for you! So, what are the chances of getting some open-leg next time, Nat? "Oh, I won't be doing that for a while yet," She exclaims. "At least not until this work dries up. Although sometimes I do get so horny during these shoots that I just want to spread myself wide open and let the snapper do whatever he wants!" So it's only a combination of professionalism and willpower that's getting in the way of us seeing Ms Oxley in all her glory, and the question must be: How can we get Nat to stop being such a bloody spoilsport? "Ha ha! Maybe you could get me drunk before the shoot," she says, obviously tickled by the whole thing. "Or you could pair me up with a hot girl and see if she can tease it out of me. Now that would be fun!"

LESSONS in LUST!

On paper it's an A-star, top of the class kind of mucky movie, but does Digital Playground's *Teachers* pass the Club DVD test?

"Well you did say you wanted an extension..."

With a student intake consisting almost exclusively of sexy American pornstars, if there was ever going to be a hardcore flick set in a higher-education establishment then it might as well have been here, at the Fillmore Bush Academy. Quite what qualifications the likes of Jesse Jane, Stoya and Katsuni are studying for is unclear, but who cares when they're having so much fun licking, sucking and fucking for our viewing pleasure?

Teachers has been hyped for a while now and rightly so, as it features some of Digital Playground's hottest contract stars performing alongside industry favourites such as Jenna Haze and Angelina Valentine. The zany plot revolves around a magical diary that records the sexual exploits of the naughty students, and whoever sneaks a peek ends up being involved in the next story. No surprise, then, that everyone wants to read it!

The first entry features blonde hottie Jesse Jane. She's sick of gym class and decides to bunk off. When coach Tommy Gunn catches her hiding in the changing rooms and threatens to expel her, he inevitably succumbs to her sweet protestations and winds up with his cock wedged in her mouth. Jesse slips onto Tommy in standing cowgirl, before he eases her off and the only expulsion taking place is upon Jesse's face.

We join big-boobed receptionist Lisa Ann with her head buried in the diary, reading about Jesse's exploits and getting in a lather. Horny and looking for cock, she wanders into the Dean's (Ben English) office and finds him bollocking Scott Nails for smoking. Liking what she sees, Lisa ushers Scott into her room, and in no time they're going at it on the desk. He lunches on her soaking slot and then the pair shift into reverse cowgirl, Lisa's tits bouncing like beach balls.

Next up is sex-education with Jenna, Stoya and Evan Stone.

RECEPTIONIST

Very Physical Education...

"Well it definitely beats double algebra!"

'THE ONLY EXPULSION TAKING PLACE IS UPON JESSE'S FACE!'

Somehow, 'Health Teacher' Evan has engineered a situation whereby the girls are practicing putting johnnies on his stiff cock. Nice work. Jenna straddles him, and then it's Stoya's turn, taking it up the arse before Evan spurts all over the dirty duo.

Reading about all this has got Katsuni teasing her pussy under her desk. Luckily for her, she's kept Riley Steele and James Deen back for detention.

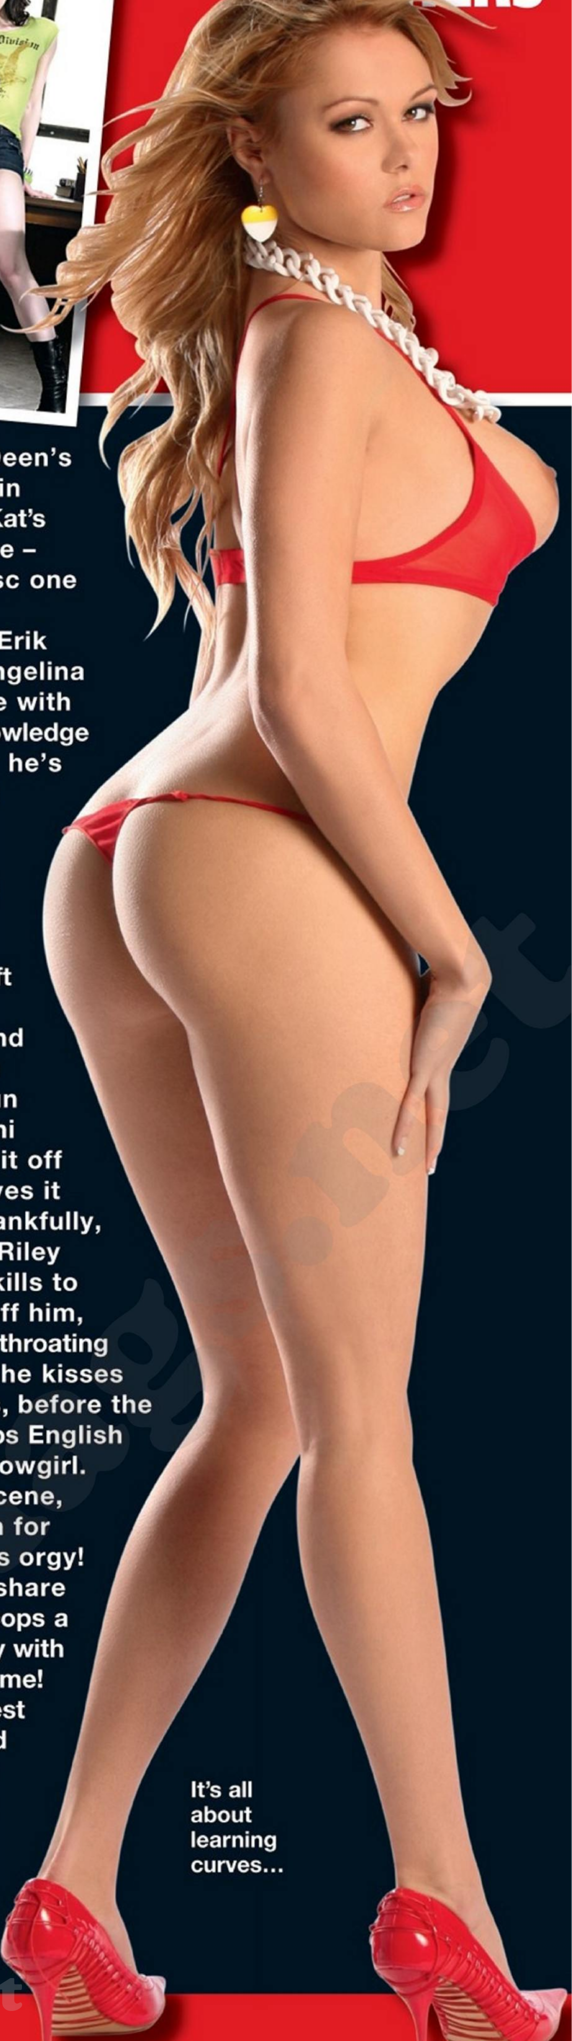
The girls wind up sharing Deen's cock before he takes teach in reverse anal as Riley licks Kat's slit; a glass dildo up her arse – frenetic stuff that brings disc one to a fantastic climax.

The action resumes with Erik Everhard offering to help Angelina Valentine and Mason Moore with their Science test – but knowledge comes at a price. In no time he's fucked both girls and jizzed over their mouths.

Meanwhile, Mick Blue is reading the diary and having a wank in his office. Right on cue, Angelina Armani pops in. She sucks his shaft before Mick plants her on his cock, eats her pussy and coats her in cum. Angelina grabs the diary, only to run into Katsuni who takes it off her and gives it to Ben. Thankfully, Jesse and Riley have the skills to seduce it off him, Riley deep-throating his dick as he kisses Jesse's tits, before the latter clamps English in reverse cowgirl.

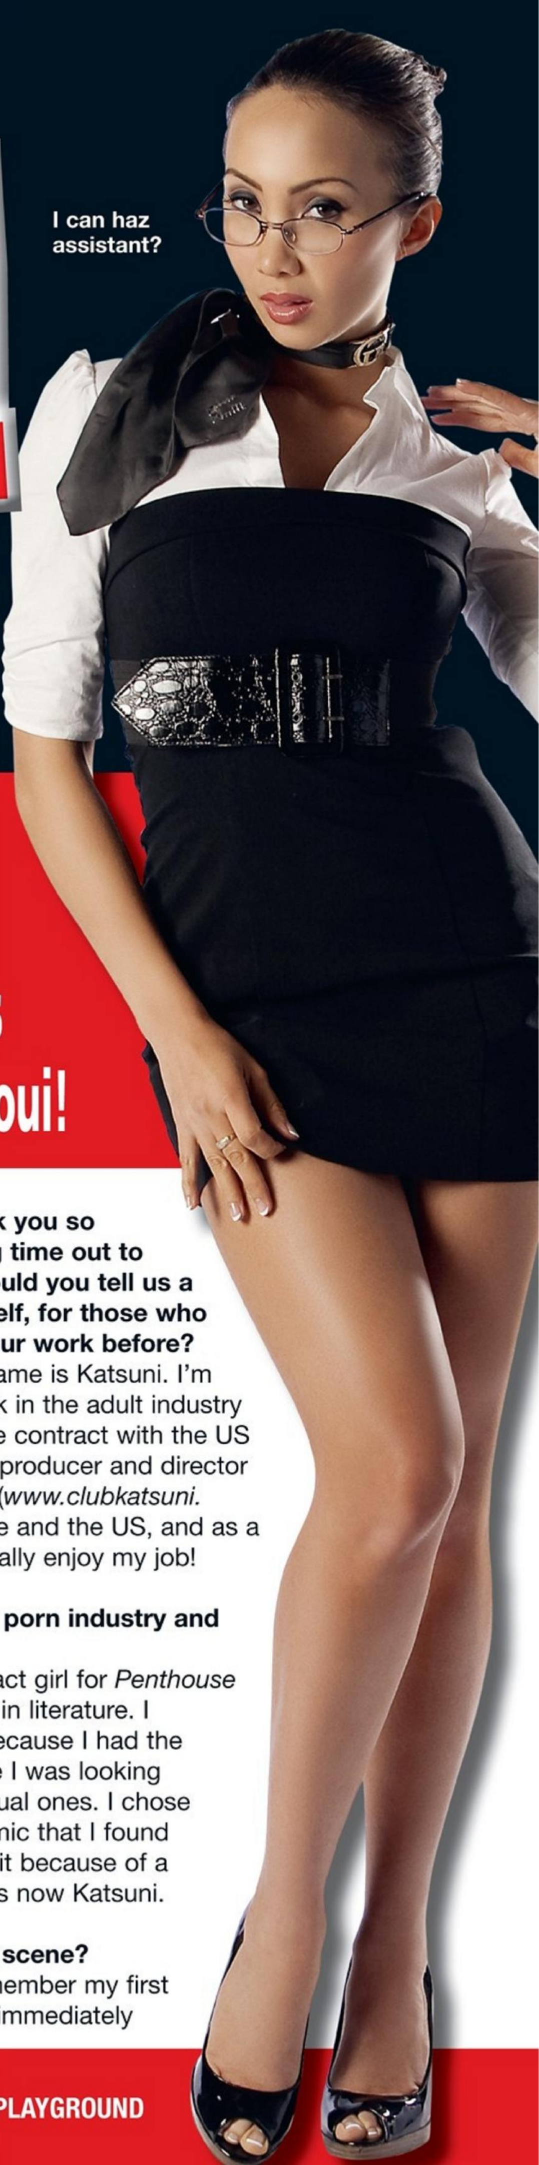
A great scene, and superb preparation for the finale – a school bus orgy! Stoya and Ms. Armani share Scott's shaft, Katsuni cops a facial, Mason gets lezzy with Angelina Valentine... awesome! Featuring some of the hottest girls in porn taking cock and director Robby D throwing in some nice angles, *Teachers* graduates with honours.

Teachers is available now from *www.digitalplayground.com*



It's all about learning curves...

PURRR! FUCKED!



I can haz assistant?

Club DVD catches up with the mighty Katsuni, and the French fancy talks about working for Digital Playground, schoolgirl crushes and taking big things in her bum. Ah oui oui!

Hi Katsuni! Thank you so much for taking time out to speak to us. Could you tell us a bit about yourself, for those who haven't seen your work before?
Of course. My name is Katsuni. I'm French and Vietnamese, and I work in the adult industry as a performer (I'm under exclusive contract with the US company Digital Playground), as a producer and director for my own company and website (*www.clubkatsuni.com*), as a feature-dancer in Europe and the US, and as a journalist for French media and I really enjoy my job!

How did you get your start in the porn industry and choose your porn name?
I started out by being the 1st contract girl for *Penthouse* in France while I was still a student in literature. I decided to do my first scene just because I had the opportunity to do it, and at this time I was looking for new experiences, especially sexual ones. I chose my porn name from a Japanese comic that I found in France, but then I had to change it because of a lawsuit. This is why my stagename is now Katsuni.

Do you remember your first video scene?
How could I forget? I will always remember my first few scenes. I really had fun and felt immediately

ALL PHOTOS COURTESY OF DIGITAL PLAYGROUND

Ass is in session!

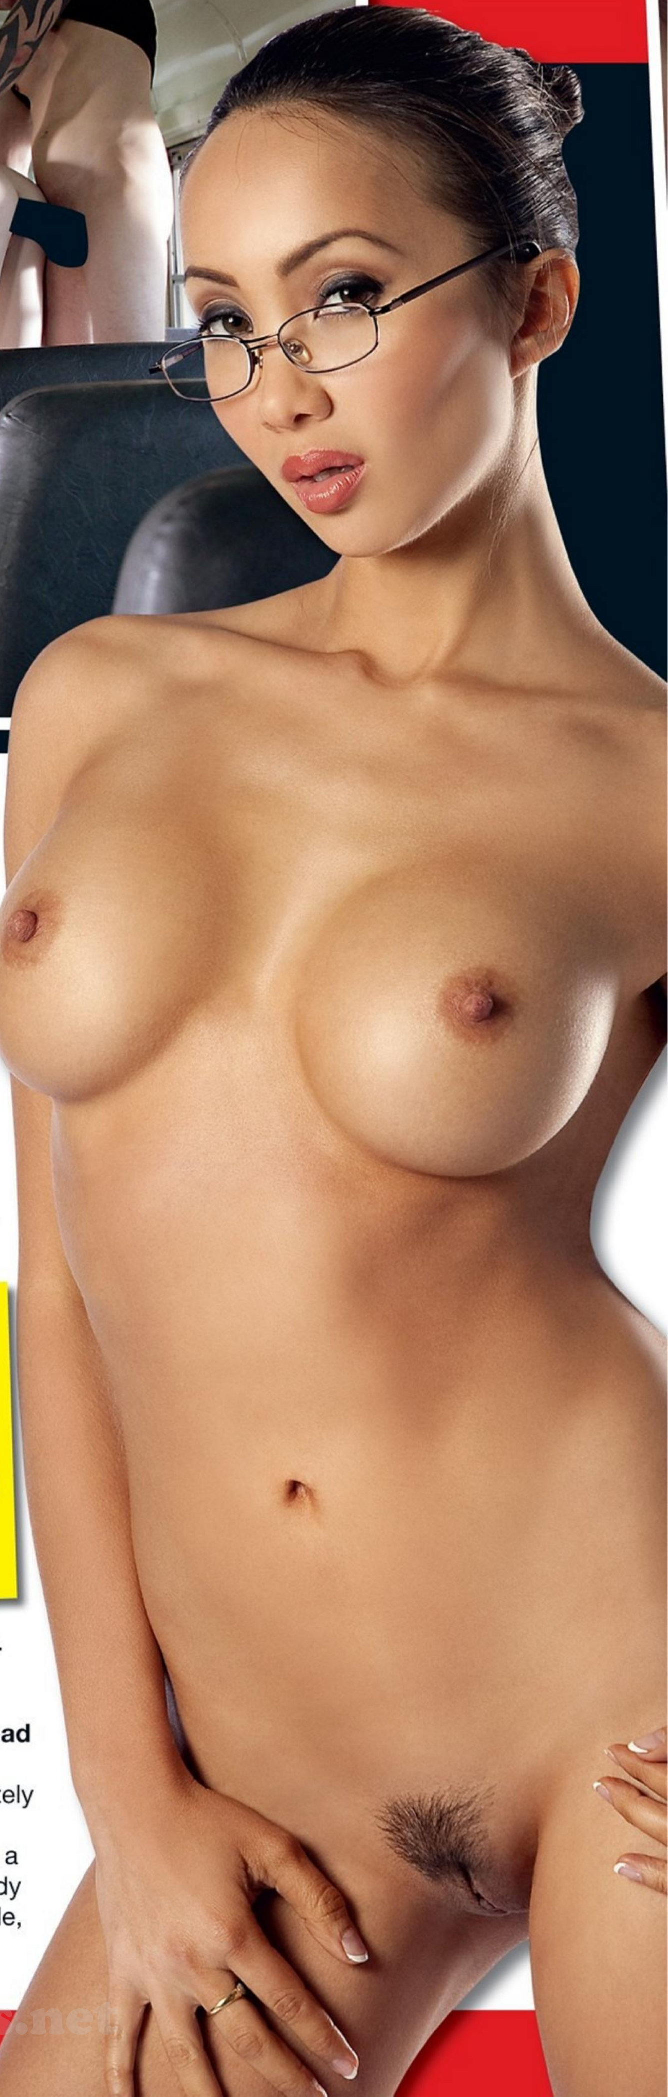
good. So naturally, I kept going and today, after 9 years I still enjoy it. I was made for this job!

You are contracted to Digital Playground. What's it like working for a company that gives you a role to play on screen, like in *Teachers*, instead of just doing gonzo all the time?
Before Digital Playground I already had the opportunity to act in many adult features, especially in France. I love gonzo but I hate routine, so it's really nice to be able to do both. I love acting and the directors of Digital Playground, Robby D and Joone, know that, so we make a good team. When I signed with them it was my wish to do movies such as *Teachers* and *Pirates II: Stagnetti's Revenge*.

> 'I'M KNOWN FOR MY ANAL SCENES AND DEEP THROATS!'

As we mentioned, DP's latest blockbuster is called *Teachers*. Did you have a crush on a teacher when you were at school?
Yes! In fact, I have had many fantasies based around school and teachers! I remember that I totally fell in love with my English teacher who was about 25 years old, when I was at school. He was incredibly cute and sexy. It's funny because his name was Mark Davis, exactly like the performer. We never did anything, but we kept in touch by mail, but then I lost his

Tickets, please!



contact information, which was too bad. I wish I could go back and give him a nice, French kiss!

What makes good sex?
Chemistry is the main secret. You may be a good performer, but it doesn't mean anything if you're not into your partner and if you don't try to share something. Too many people consider sex to be a performance... like a sport. The longer, the better, the bigger, the better... That's a mistake. Having sex is not only about penetration – in my opinion having sex starts in your brain, not in your private parts. Fuck my brain first, and my body will belong to you.

Who's your favourite porn star to work with?
Difficult question! Favourite male: I would say Manuel Ferrara, 'the French lover' and James Deen. Although I like Lexington Steele a lot. It's even more difficult to answer for girls – I'm in love with Belladonna, jessica drake, Paola Rey and Stoya! They all do their job as if it wasn't a job. They're passionate and true.

'FUCK MY BRAIN FIRST, AND MY BODY WILL BELONG TO YOU!'

Is there anyone you haven't had a chance to work with yet?
Jenna Jameson! But unfortunately it's too late. I wish I could do a scene with Tera Patrick, who is a real goddess to me. I like Zuleidy and Ashlynn Brooke for example, but they are all under contract!

Kat snatch fever!

Who is your favourite director to work with?
I don't have a favourite one. I mainly signed with Digital Playground because I love working with Robby D, who is easygoing and makes great movies. I'm also a fan of Joone's work. Besides that, I have had the opportunity over the years to work with Michael Ninn, Brad Armstrong, and, in France, Alain Payet and Herve Bodilis, and they have all been great experiences. They all love their job and know how to share their passion for porn.

What turns you on?
Danger, the unexpected, the mystery, the politically incorrect, a beautiful stranger crossing in the street, the smile of a woman who looks into my eyes, men in uniforms, the untouchable, the unreachable, and anything that gives me the impression that I can burn my wings...

'I KNOW HOW TO USE MEN LIKE MY TOYS AND GET THE PLEASURE I WANT!'

And what turns you off?
Bad body odours, arrogance, stupidity and vulgarity. Also, a man or woman who belches, speaks too loudly, who takes himself or herself too seriously, who thinks he can buy me or impress me.

Do you watch porn?
Not so much! I don't like watching myself, but I do like watching my acting parts in order to see if I can improve myself. When I masturbate, I just watch quick gonzo scenes on the web.

Do you like to masturbate?
Yes, it's my main hobby! I really think that it's important to feel comfortable with your own body, and masturbating is part of a fulfilling a sexual life.

Is it easy to make you cum?
Yes, because I also do my best to make it happen! I know my own body, so I know how to use men like my sex toys and get the pleasure I want!

What's your favourite position?
It depends of the situation, but let's say spooning. It's a very erotic position, good for anal, and neck kissing too...

What are you best at sexually?
I'm well-known for my anal scenes and my deepthroats, but it would be better to ask my female and male partners. What I try to do is always make my partner feel special.

Are you into group sex?
Not so much. I really prefer being

with one partner as long as he or she is a good one. I also enjoy being with two men at the same time. It really turns me on.

Do you like to dominate or are you submissive?
I'm submissive with men and dominant with women. But the men I'm submissive with must deserve it.

'ENGLAND IS VERY OPEN ABOUT SEX, THE FRENCH HAVE A LOT TO LEARN!'

Do you prefer to work with people you've worked with before or new talent?
I like both. It's always exciting to work with new talent because this is also one of the reasons I decided to do porn – to never fall into any routine. Things or people that I don't know turn me on – there's always a bit of mystery and danger. The feeling of the first time has no price. But I usually work with male and female performers who are seasoned, professional and nice. The more we work together, the better our relationship becomes. It brings something else to the scene.

Do any scenes that you've done stand out in your memory?
I've done a lot of scenes, so I have a lot of great memories. But my last one is probably the bonus scene I did for *Pirates II: Stagnetti's Revenge* with Stoya and Belladonna. I never wanted it to end!

Exhibitionist or voyeur?
Both. I'm an exhibitionist when I'm on set. I like people watching me, which is not the case in my private life. I like watching people, but only when they don't know that I can see them. If not, I feel like I am bothering them and it makes me uncomfortable.

Has working in the porn industry taught you anything new sexually?
Yes of course! Porn is a great playground to learn new things. Each movie gives you the opportunity to try new things, with new partners, in new situations. I really learned how to make love with a woman, how to tease a man, how to use my body, and how to get pleasure and give pleasure.

Do you have any sexual tips or tricks you can share with us?
When I have sex, I do it as if it was the first and the last time. It must be unique and intense. Don't give yourself any limits and don't think. Just do, feel, and enjoy!

Do you enjoy performing or directing more?
For the moment I still prefer performing. I like directing, but it's still very simple. I mean, I just shoot gonzo, so it's more filming than directing. But my wish is to one day direct a real feature.

Who would be in your fantasy cast if you could shoot anyone?
That's a difficult question! It all would depend on the script. But there are a few girls that I really like such as Jesse Jane, Stoya, and also jessica drake, Sasha Grey, Lisa Ann and Ashlynn Brooke. And male performers? Evan Stone and Randy Spears are great actors, and Manuel Ferrara and James Deen do great scenes...

Have you ever worked in the UK?

I worked in London once, for Harmony. I was amazed by their professionalism. I don't plan to go back to England for work for the time being, but I really would like to go there for some fetish parties, or to see some burlesque shows. England is very open-minded about sex, the French people have a lot to learn from your country!

Your new lingerie company, Petit Coeur, is very nearly ready to be launched. It looks beautiful, by the way. What inspired you to start it and do you have a hand in designing any of the underwear personally?
Wow! Thank you! I have wanted to do that for so many years, but until now I didn't have the time to invest myself in such a big project. Most of all, I wanted to find the best people I could find to follow me in this new adventure. I can't believe it's done now! I'm very excited because it's a new challenge and this time I'm going to use all my creativity. I design everything myself – with the help of a professional crew who know the market. My goal is to create a new sexy brand, but with my little French touch. *PetitCoeur.com* is launching soon!

What makes a Katsuni movie so special?
The answer is in the question – there's only one Katsuni! You can find girls who will be more beautiful, sometimes more nasty or better in their sexual performances, but I am who I am. Just a little French and Vietnamese girl who enjoys what she does.

Any plans for the future?
As you know, I'm launching my own brand of lingerie and my goal is to develop it in the USA and also in Europe. I invest a lot of myself in my official website *www.clubkatsuni.com* – and I'm about to do a specific website for the French market. Besides that, and besides my contract with Digital Playground, I want to develop my company by producing and directing more movies. I'm about to move to the US, I plan to feature-dance more.

How can fans get in touch with you?
The best way is to become a member of *www.clubkatsuni.com*. Members get my personal e-mail address and can meet me when I do live shows on webcam. I also post on Twitter, *twitter.com/katsuni* and you can see all my news on my blog *www.ilovekatsuni.com*!

Brit babe Natalia X is making a big name for herself on these shores, with her performances in movies such as *Field of Teens* and the rather poncily named *Sexual Art* really getting cocks twitching amongst the porn fraternity. However, with some fans calling it her best scene to date, it's her lesbo antics in the recent Kendo directed number, *The Dance*, that we really want to ask her about. "I got to work with Eve Angel, who is so gorgeous and sexy," Natalia enthuses. "I licked her sweet little pussy and teased her clit, and then she pounded me with this silver vibrator. I don't always get off on-set, but I was cumming like crazy that day!" So where does Nat go now after such a mind-blowing experience? "I just want to work with Eve again… and again!"

STICK IT WHERE THE SUNN DON'T SHINE!

She's 5 foot of fuckability and her only anal scene won an AVN award. Sunny Lane will brighten any day...

How did you get started in the adult industry?

I was a professional ice skater and then did some coaching before a foot injury made me need to change my life and I started dancing at the hottest club I knew: Deja Vu in Tampa, Florida. While attending the NightMoves show, I met some of the stars like Jesse Jane, Montana Gunn and Ron Jeremy who exposed me to that arena in the industry. From there to the AVN show in Vegas, then L.A. where I was on Juli Ashton and Tiffany Granath's cable show. They challenged me to perform in an Axel Braun video and I did a scene in *Squirting 101* – and yes, I squirted! – and here I am now! Axel only did me with his fingers in that movie and my first video sex was actually in *POV Fantasies* with Brother Love for New Sensations. I was nervous but also really excited and it was great fun.

From ice skater to sex star?

In professional skating you have to connect with the fans and the judges, you have to be beautiful and glamorous and you have to know how to carry yourself both on and off the ice, so there are a lot of the same elements as the adult industry. I took everything I learned in skating and applied it to the exotic world. I like to do it all and learn everything; I'm always pushing myself to go to the next level. I can't skate so I have to push myself in other ways, from the movies I shoot to the photographs I do, the

webcams for IM Live, feature dancing and also I'm at the Bunny Ranch. I'm an entertainer, that's what I do. I love to make people smile and laugh, I get off on that, and it makes me happy. It's so gratifying and makes you feel so good. I'm definitely a sexual exhibitionist.

And are you a voyeur as well?
Oh yeah, definitely. I prefer to watch it live and fortunately I'm in this business where I have the chance to do that. Other than that, I do watch porn. I'm very sensual and love all the senses: smell, touch, sight, taste, and sound. I'm really into tantric sex.

Do you like to masturbate?
Most of the time I wake up masturbating, I still have wet dreams! It's crazy because I don't remember them, but I know I'm having fun and my hands cup myself. I do fantasize and masturbate with toys. I like masturbating a lot; it's very sexy and a big turn-on.

> 'I LOVE BLOWJOBS. I THINK THAT'S ONE OF THE BEST THINGS I DO!'

What else turns you on?
With a guy and we're just totally getting it on, if he knows how to talk dirty to me or get into my head, that's a huge turn on, I really like that.

Seeing two people together, whether it's two women who are very sexy and very sensual with each other or a man and a woman. Caressing me the right way, I like touching myself and watching people. Taste and eating something that makes you feel so good, it's all sensual.

Does size matter? How do you prefer your cocks?
I can handle them all. I love big cock! And I love blowjobs. I think that's one of the best things that I do and I have a really long tongue.

You've been with some big guys.
I like those big guys who can pick me up because my favourite position is he-man where the guy is standing, holding me under my thighs and bouncing me on his cock. Lee Stone and Marco are great at that and Mark Davis, he's awesome! I'm going to be shooting *Performer of the Year* for Elegant Angel with Mark Ashley and I'm really excited about that. Kurt Lockwood is a blast and he's the first one who ever picked me up for upside-down 69. Evan Stone is wonderful to work with and we have a great time. Tom Byron and I were in *House of Ass 9* and *Cocksuckers*, and have a really great connection. He's awesome. He, Manuel Ferrara and Mark Davis would definitely be my top 3 guys. They know just what buttons to push.

And Manuel had the chance to push a new button when he did your first anal scene.
He's great and Elegant Angel was so wonderful and accommodating. I was really stoked and Manuel

knows how to get me there. He's so sexy and he loves women just like I love men. I loved the whole tease going into it and it was so hot, I felt so good and I think it turned out really well. You can tell in the scene that it felt passionate and real and we do connect. We started with vag because I like that and it's my first anal so I've got to have the vag and have him enjoy the whole body and every hole. He's so hot and knew how to make me relax and really get into it. Check it out in *Big Wet Asses 13*. Oh my goodness, it makes me wet even thinking about it now.

Do you prefer scenes with people you've worked with before or new talent?
I really like the talent that I already know because we really know how to work together, we know how to move in the right position, we get it flowing, we know each other already so we're comfortable. With a totally brand new person, for myself, I've got to control the situation. He doesn't know what to do, how to open up so you've got to give him little signals and do little things to train him. With someone else who's done a few scenes but I haven't had the chance to work with him yet and want to, that's exciting. That's so thrilling to me because I've been thinking about this person and maybe we've been flirting already and wanting to get it on.

'I'VE GOT TO HAVE HIM ENJOY THE WHOLE BODY AND EVERY HOLE!'

'KURT IS THE FIRST GUY WHO EVER PICKED ME UP FOR UPSIDE DOWN 69!'

Had you been with girls in your private life before getting into the business?
Yes, just a few and it was mostly just experimental. In the business I've been really fortunate to work with really hot girls. This year alone I've been working a lot for Triangle Films, a new lesbian company. Girls, yeah! Bree Olson. Love her. She is so much fun and incredible. I was wanting to get it on with her for so long and we finally had the chance in *Roller Dollz*. Courtney Cummz, yummy. Lacie Heart's not around anymore but she and I got along really well.

Are you into group sex?
I like variety, it's fun. My favourite scene to shoot is

a boy/girl/girl so I have a man and a woman, the best of both worlds. I like to mix it up. There are times when I want that one-on-one because that's where we have that intimate connection.

Tell us about your favourite scenes.
Dark Angels 2: Bloodline [from New Sensations] is so memorable. I had sex with Dillon Day on a mustang and we put a dent in that car! Another favourite is the scene with Evan Stone in *Sex Pix*. It was the first time I met him and he was so incredible. I got to work with Jenna Haze in an interactive movie that Devinn Lane directed and that was awesome. *Roller Dollz* is one of my favourites partly because I got to be competitive and skate with the real derby doll girls and I got to have sex with Bree.

Is it easy to make you cum?
Yes, I have multiple orgasms and I can cum very many different ways. I cum very easily from my clit, from my G-spot, from caressing me, from my nipples, touching me or blowing me the right way and teasing me. Since I've been in the business, my sexuality has been heightened and become even stronger. I've learned so much more about things that I like, things that turn me on.

Anything to plug?
Well I had two really big features in 2008: *Roller Dollz* and Not *Bewitched XXX*. Working for Royalty X films was incredible and shooting with Alana and doing *Tennis Ballin'* was great fun so I'm going to be shooting with them as one of their regular girls. There's a Cinemax movie called *Sealed with a Kiss* coming out and that's a big deal with Katie Morgan and Nautica Thorn. I've also got my first blowbang coming out and that was for Jules Jordan but I don't know the title.

How can your fans get more of you?
I spend a lot of time on the road dancing and it's all about my fans. I really enjoy travelling all over and meeting them at signings and in the clubs. I bring them in and put on a show! Each show has different tricks and acrobatics in it. Then my assistant works the mike and videotapes it while I interact with the crowd. I really love meeting my fans and love that they love me and what I'm doing.

My website is *www.sunnylanelive.com*, and I am TheRealSunnyLane on both myspace and U-Tube; I'm always on IM Live and they can come see me dance or come and play with me at the Bunny Ranch. I also have a mailing address: PO Box 5027, Woodland Hills, CA 91365.

Hello you gorgeous people, Jo Guest here! I've been invited back to the Paul Raymond offices by my good friend Tamara. For those of you who missed it, Tam and I became intimately acquainted while shooting a girl/girl set for *MensWorld* a few years ago, when she was still modelling. Anyway, as Tamara was off on her hols for a few days, she invited me into the office to cover for her, by editing *Club DVD* magazine for her! And what fun I had! I think resident designer Pete was a bit scared of me, but I like to keep my boys in line! After getting a bit of lip off him, I got my whip (and pussy!) out, and soon had him eating out of the palm of my hand. Mind you, I'm sure he enjoyed it just a little bit too much!

HOW TO BE A STUD!

Porn stars – they can't act for shit, but they know role play. We ask them how to be someone else...

Sometimes the thing you need to put a pep in your step and a glide in your stride is a little bit of role play. We're not suggesting you dress up as an alien arriving on earth with a sexy message for all humanity – but we're not exactly ruling that out either…

Here I am in the role of a fat, moustachioed porn star!
Inappropriate how?
W = m×g
"Can I have that bedpan back?"

1 KNOW YOUR AUDIENCE

You need to be pretty confident to pull this off, but if you do, the rewards are endless. You also need to know that the chick you're about to stick your dick in has got an open mind, but if she has, you can explore a whole new area of sex. Set some limits – you don't want to upset her or turn her off halfway through the evening when you pretend to be a mad axe murderer – but role play can let you get deeper into your ladies' wildest fantasies – and what stud doesn't want to do that?

2 THE ELEMENT OF SURPRISE

One girl we know often stops on the way home from work to change into a kinky outfit to shock her guy with. He'll open the door and she'll be a nurse or a cosmetic salesgirl or a pizza delivery slut – she'll have her story ready and all he has to do to guarantee the fuck of his life is to go along with it. It's no stretch to do the same for the woman in your life – get it right and her legs will be open a lot wider than the front door…

3 STEP OUT OF YOURSELF

One of the great things about role play – if you can master the initial embarrassment of pretending to be an estate agent looking for new properties to buy and… oh, what's that bulge in my pants? – is that you can both do new things. After all, it's not really you doing them – it's the role. If you've got as far as pretending to be different people, then doing a different hole or a different position shouldn't be a stretch. Or if it a stretch, it's the nice kind of tight stretch…

4 THE ONLY LIMITS ARE THE ONES YOU SET

You can keep it simple if you like – the naughty University babe sucking her lecturer's dick for an A – but you can also take it as far as you both want. That's the studly secret of keeping it fresh. One role play scenario might work for both of you, but even that will go stale eventually, so keep pushing your imagination. Now, where's that pizza delivery girl?

Some say fluffers are at the bottom of the porn ladder. I, however, think that I have a great job. Take today for example – as soon as I can be arsed to get out of bed, I'm off to a set in some swanky 5* London hotel that would cost me a month's pay to stay one night in. I'll get my travel paid for, as well as getting my mitts on the industry's finest cocks. And, if I'm really lucky, I might even get a lick of pussy.

I'm on the train to London at the moment, but I have been all over the place this year, including Barcelona and Paris. As well as being a fluffer, I'm also an on-set hand (no pun intended), and help out the photographers and video guys too. I'm really looking forward to tonight – hopefully I can nick one of those gorgeous fluffy towels and the slippers they have in all the top hotels!

Oh my fucking gosh! I have just got to the reception and we only have the penthouse booked! Trying my best to look cool about things, and not give the game away by jumping up and down and screaming my tits off! A place as posh as this won't want to know what will be going on in a few hours time, I promise you.

So I just met everyone, six guys and three girls, plus me. I've not met the girls before, but two of the guys I've done at a previous shoot. In fact one of them, Paul, has a bit of a soft spot for me and has happily fucked me senseless after the shoot.

You see how horny you'd get watching this sexy lot shagging for hours. I'm usually a Met office flood warning by the end of a job! I get to do all the hard prepping, and these girls get to enjoy the benefits – it's a hard job, you know! So, I am extra happy that Paul is here, and by the looks he's giving me, I am in for a right pounding later.

Finally, I get my call four hours after getting here, and in all honesty, I am high on espressos and champagne, so my wanking arm is on full speed ahead! Got two guys up first – standard men really – the girls are always so hot compared to the blokes. But all I can think about is Paul's beautiful 9", thick, fleshy cock.

Paul is the last one to perform in the scene. I take pleasure on working him to perfectly erect glory, knowing full well he'll still be hard and ready for me once the shoot is over. He's hard before I even set my tongue on him, but he can't resist me!

I watch closely as Paul fucks the three girls expertly, and can hardly keep my hands out of my pants throughout. It's 3am by the time we are all done, and I whisper my room number in his ear. Sure enough, 10 minutes later, I am getting my pussy fucked to pieces by a pro – that's the best bit about this job. There are no nasty surprises!

THE WHITE

Tarra White is one of Europe's hottest talents. We catch up with the Private girl on set...

She's a bit of all white

Do you remember your first porn shoot? Yes, I remember that I had butterflies in my belly. I didn't know what to expect, then it turned out that we were shooting in front of the University of Prague! I was totally naked in front of lots of people in the middle of the street! The shot was a POV and it was a bit stressful, so I kept forgetting to look into the camera. I'll never forget that experience!

Do you have a partner? What does he or she think of you working in porn?
Yes!! I have a boyfriend now. It's Martin Gun and he is a porn star too! He is jealous sometimes, so we don't exchange details of what we've been shooting. We only tell each other where we are going, what locations we will be shooting at and with who.

Do you have any limits when it comes to sex?
No golden showers or scat of course, no vomiting. I do not feel very comfortable when I have to be too submissive or tied up with ropes. I just starred in Steve Drakos' *Anal Motor Bitches* by Private where there was quite a lot of bondage, but it was okay because it was only my tits that were tied up, and as long as I can have my hands free it's all right.

Are there any particularly difficult moments in your job?
Yes, when there is no chemistry between you and the actor. Sometimes when I don't even like my sex partner, I feel uncomfortable.

Why did you decide to become a porn star?
When I was very small I wanted to be a stripper, and I stripped by myself in my bedroom. When I was a teenager I wanted to be a porn star, and I used to pose in front of the mirror at home in my mother's high heel shoes. Once my mother caught me and asked me what I was doing. When I told her I was practicing to be a porn star, she was not very happy! Ha ha!

Who is your favourite director and in what country do you prefer to shoot?
I really can't name one favourite director as I do not wish to offend anyone... I enjoy filming for Private as I really like all of their directors. They also have big budgets and take us to exotic and luxurious locations. I would really like to film in the US but it is difficult to get a visa. I would really like to see California and Miami. I would also like to film in Japan, since they have a different culture. And I love sushi!

E STUFF

Who are your favourite porn stars?
Rocco Siffredi. He is Italian and has a HUGE cock! I really like Tera Patrick, Jenna Jameson and Silvia Saint.

What do you think of 'feminine porn'? Porn made for women?
I really like it! I have worked with Anita Rinaldi for Private when we shot *Sexy Santa*, and it was my favourite movie to do. Anita has a different and interesting view of sex; very sensual, making love with your eyes and the emotion is focused on more. Well, women are really more sensual than men in general, aren't they?

Do you enjoy sex as much personally as you seem to enjoy it on screen?
I have sex with my boyfriend about three times a week, and I must admit that it is totally different compared to sex in a film. Occasionally, I want more sex and then my boyfriend is always there for me!

Any recent projects?
I am shooting a lot with Private lately. I just shot *Anal Motor Bitches* but also *Anal Tropical Gonzo* and *Sex & Lies In The Caribbean*. I am also the presenter of an erotic IPTV program, on prime time, in the Czech Republic!

Are you bisexual? Do you enjoy doing lesbian scenes?
Yes, I am bisexual, but unfortunately I never find any girls in Prague that I want to fuck! The Czech Republic girls are still in the closet and there really are no places to meet. Personally I prefer feminine girls like myself.

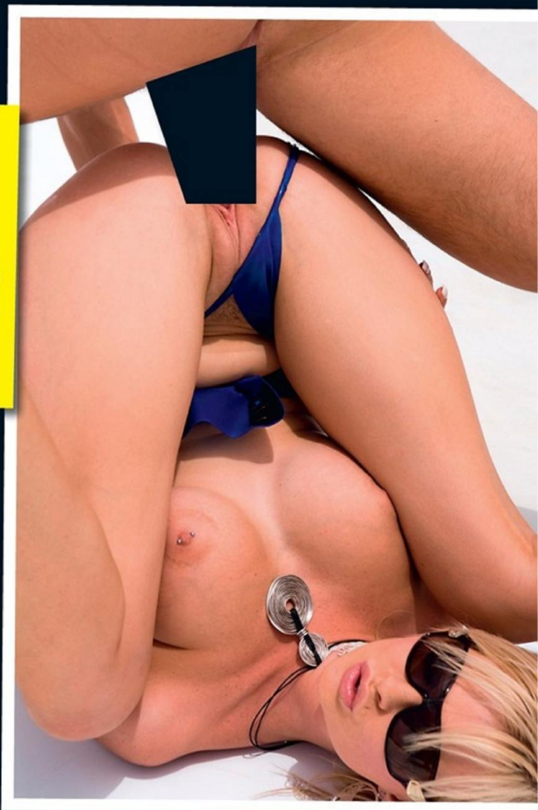
'THE HEADMASTER CAME IN TO A SEX SHOP AND ASKED ME TO SIGN A POSTER!'

What are your goals in porn?
I want to go anywhere the business can take me! Is anyone from Hollywood reading this? I am open to offers! Ha ha!

Have you ever encountered problems being a porn star?
In high school, a friend found pictures of me on the internet and posted them on the walls in school. It was irritating then, but years later the headmaster of that same high school came in to a sex shop and asked me to sign a poster, so I guess he was jerking off thinking of me! Ha ha!

What is the secret of your success?
I honestly appreciate everything

everyone does for me. I am very grateful and always try to let people know that I am thankful for what they do. As for my physique, people tell me that I have seductive eyes.



Best moment in your career?
The awards I have received! In 2006, I was awarded a Golden Star for Best Starlet at the Prague Erotica Ceremony, and then a year later I got a Golden Star for Best Czech Republic Porn Actress. I hope your readers will watch my movies and have a great time while doing it!

DARIA

DARIA

Czech stunner Daria is one of those girls who everyone seems to love, and if anything she just gets sexier with age. Now it's not exactly rocket science that a beautiful girl with gorgeous big boobs and a hairy pussy should be popular, but Daria has that extra something that makes our readers want to put pen to paper and declare their, erm, 'undying love' for her. "It's great that guys want to fuck me and write about how they'd like to do it," she says, casually reading through Derek from Norwich's Daria fantasy involving him 'pounding her bushy cunt and spunking all over her tits'.

"I love the fact that I'm getting these guys off and making them think all this naughty stuff. It's got me thinking up some naughty stuff of my own!" Maybe we should get *her* to put pen to paper…

READERS TOP FIVE

SEXUAL POSI

Thank you to all you lovely *Club DVD* readers for sending in your favourite sexual positions. I especially loved the action shots, and to the guy who sent the drawing demonstrating his number one – I am still none the wiser! What did surprise me, though, was how many of you still rate the missionary position. As Kelly from Dumfries said, 'That's the way our bodies were designed to do it,' and who can argue with that?

SIDEWAYS

This is for all you lazy lovers, it would seem. I shouldn't really add this to my list, but I was so amused by Jas from Wilts admitting to taking a power nap with this one, and Nick from Ealing confessing that this is the only way to 'fuck a munter'. According to him, you get to grope boobs but don't have to look at anything other than her neck. Dude, you really need to lay off the Snakebites and go out minus the beer goggles. I actually quite like this one personally, as having my neck kissed and my ear nibbled is a huge turn on – hint hint, fellas!

GIRLS ON TOP

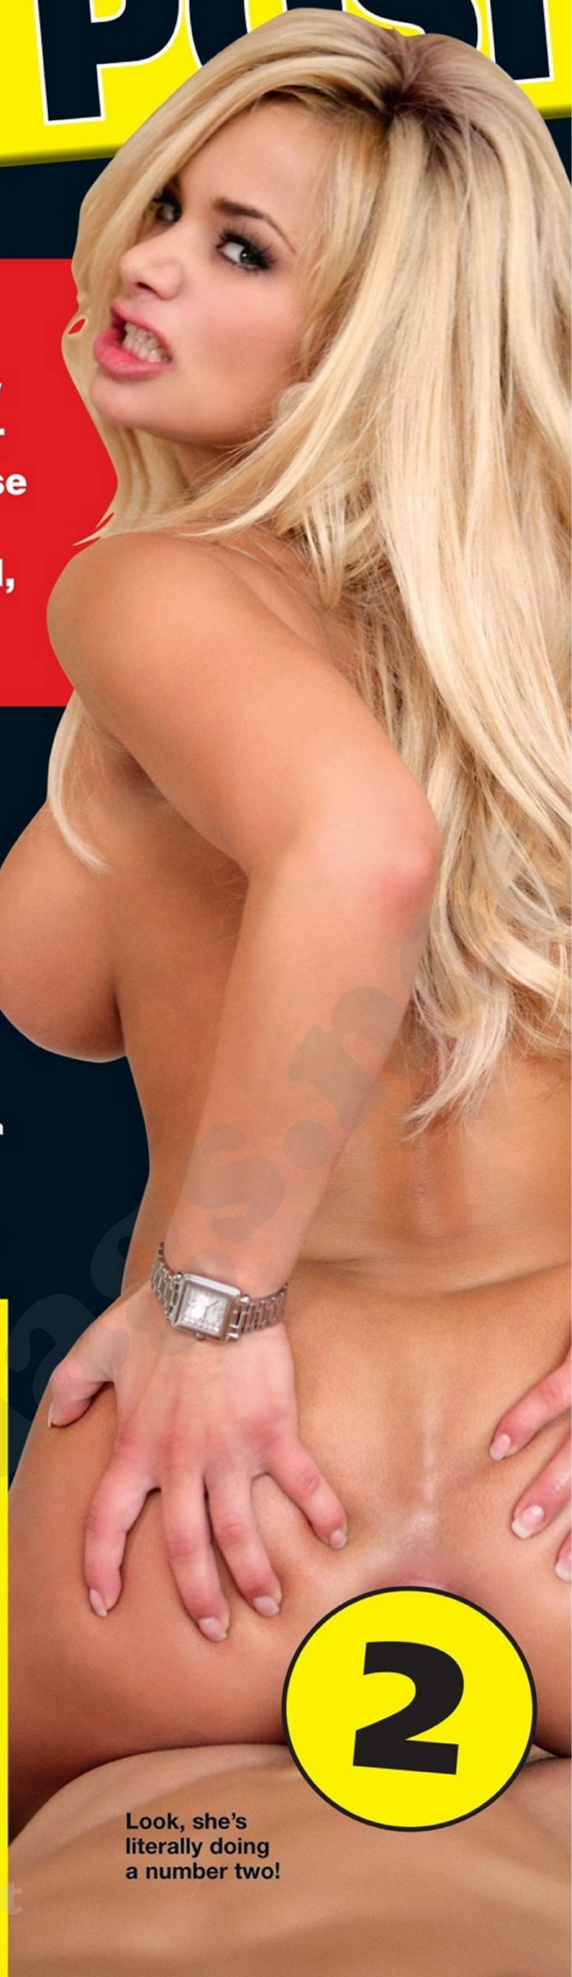
Always a winner – unless your lady is the size of a bus, then it's just plain dangerous and silly. There are no surprises either that this is the lads' most popular position, you lazy gits. For us girls, though, it's great to be in control for a change and ,if your guy is a bit selfish (or crap) in the sack, this is often the only way to bag yourself some pleasure.

I like to revolve round 180 degrees so my cock for the night gets a full view of my booty as it goes up and down. Well, actually, who am I kidding – it's purely selfish as having a cock in you backwards reaches places that personally turn me into a squirting, screaming wreck!

Terry made me giggle with his email. He likes his wife to pull him out just before he cums, so he can see how high his spunk can get – his record is her collarbone! I love it!

1

Sideways. Not the film about wine, obviously!



2

Look, she's literally doing a number two!

TIONS!

DOGGIE

I must admit that this is my personal favourite – although my reason differs from you guys. This seems to kill two birds with one stone for you men as you can watch the footie over your girl's bum – the absolute cheek of it! We want – no demand – 100% attention guys! Us ladies, however, have a far more legitimate reason, of course, for wanting it from behind. The cock gets to reach that little bit further and rubs against the G-spot with much less effort. You can easily slip between pussy and arse action too, with a clear view as to where you are sticking it!

UP AGAINST THE WALL

It was a toss up between this and upside down but, to be honest, I think you were all just showing off, so I'll go with the good old knee trembler. I mean, walls are everywhere, so there is really no excuse. It's a winner all round as men get to feel like they have Superman's arms, and women get to feel light as a feather while the wall bears the brunt. Why do you think Shirley Valentine was so fond of hers, eh! I, of course, have to mention the benefit for you blokes of being able to bury your head in some nice hot boobs. But, do consider our arse tends to repeatedly bash against a hard surface. Not quite as much of a benefit…

MISSIONARY

Not surprisingly, this was the woman's most favoured sexual position. This seems also to be the one you go for on the first night with someone – a safe bet, I assume. For us ladies, it basically means we can get fucked without having to bloody well bounce around like Tigger. And, if you've got tits the size of mine, that can be a health and safety issue, believe me!

I agree that this is a good starter as you get some nice eye contact and can easily tell if what you are doing is on form or a big flop. But the highlight for me – and for lots of you too, judging by your letters – is that it's always awesome to watch someone's face as they orgasm, and you do get a front row seat with this position.

'HE LIKES TO SEE HOW HIGH HIS SPUNK CAN GET. HIS RECORD IS THE COLLARBONE!'

3

4

All in all, it's just another prick in the wall!

€URO ANAL CHICKS!

Carl Noble discovers that the simplest things in life are often the best...

I'm going to be honest. I like things to make sense in life. Maybe I'm a bit thick or something, but subliminal advertising is lost on me. Things need to be spelt out nice and clearly, so I know where I stand. Is there anything wrong with that? Private obviously don't think so as I recently had the fortune to be on-set for the filming of their latest flick, *Euro Anal Chicks*. Which for those who are even less intelligent than me, did exactly what it said on the tin – namely a lot of European chicks getting done up the bum! It's a tough life I know.

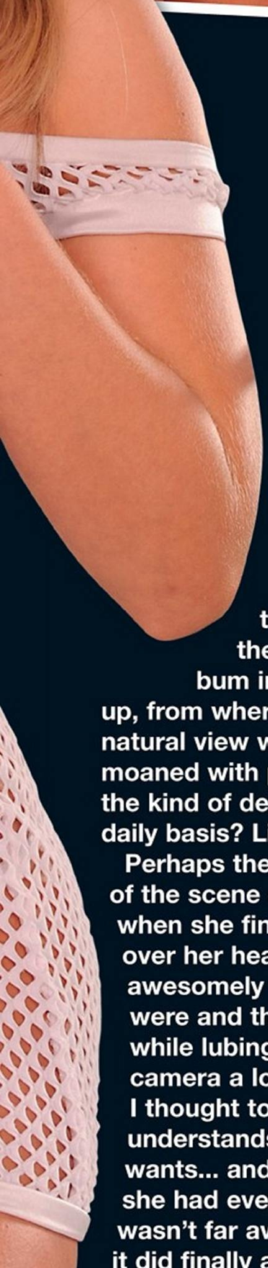
Nonetheless, it was different arriving on set, with the knowledge of where each scene might end up... so to speak. Plus, having never been on an all-anal shoot before, I was wondering what sort of 'euro chicks' were going to be featured and whether I'd be able to understand anything they were saying. Both questions were answered within minutes of my arrival, however, with the first being 'only ridiculously attractive and filthy ones' and secondly, they weren't talking long enough for it to matter.

In fact apart from introducing themselves in their sultry accent, their mouths were put to far better use for the rest of their time on camera. And as for their other holes...

Set in a beautiful (and huge) modern house, I immediately latched on to the filming of a scene which was just beginning, with a flawless, buxom blonde writhing around on the tiled floor of the conservatory. Wearing only a white mesh vest and panties, the camera took endless close-ups of her awesome, pendulous breasts, pushed together in the tight clothing. It was quite frightening just how fit this girl, Jessica Moore, was and I found myself leaning round to peer down the camera view rather than the real thing, as it was the best way to take in her beauty.

However, the view quickly changed to the main feature, namely her perfect backside, which was now hoisted high in the air, ready for the hired cock's fingers to start to put it to work. These were then replaced with a huge dildo that disappeared inside her arsehole,

The girl wants Moore!



'SHE REMOVED HIS DICK FROM HER ARSE AND PUT IT IN HER MOUTH TO TASTE HERSELF!'

only to be removed when her hole was fully agape and ready for penetration. By this time, I certainly didn't know where to look, as while the camera had her bum in extreme close-up, from where I was stood, the natural view was her face as she moaned with pleasure. You see the kind of decisions I face on a daily basis? Life is tough.

Perhaps the early highlight of the scene arrived, though, when she finally pulled her vest over her head to reveal just how awesomely huge her natural tits were and then kindly spent a good while lubing them and giving the camera a look at every last inch. I thought to myself, this girl really understands what the viewer wants... and this was all before she had even touched a cock! That wasn't far away though, and when it did finally appear it was soon so far down her throat that it would be difficult to work out what European language she was speaking as she moaned her delight.

Dressed only in white stiletto boots now, she then had her bumhole entered for the first time and was propped against the huge floor-to-ceiling windows in order to be pounded from behind. The squeals of ecstasy were echoing loudly around the glass-walled room, making it uncomfortably intimate for 'casual' observers like myself.

Although, to be fair, it wasn't too uncomfortable watching her remove his dick from her arse and put it in her mouth to taste herself. She looked hornier than ever by now, as her long bleached blonde hair was sticking to her face with all the sweat from the hard anal hammering she'd been receiving. It was obvious the scene was nearly over, I pondered to myself, only to be typically proved wrong as they then went through a series of positions and contortions that made me exhausted just watching.

She was back where she started though (on her knees) for the final few thrusts and his dick finally re-appeared for the first time in a good while, in order to spray his load into her. I really couldn't see at this point how this scene could get more filthy, but for the second time in minutes I was proved wrong, as he opened her up, allowing it to seep back out, as the jizz blurred the camera lens. If I was still left in any doubt as to this girl's qualifications for her role as a *Euro Anal Chick*, then her immediate licking of the camera put those to rest.

SUZIE CARINA

SEE ME ON YOUR XXX DVD!

You might think that these exotic on-location junkets are all about snapping a few pictures and then spending the rest of the day on the beach, but in reality they're a right old pain in the arse. We have to be up at the crack of dawn to set up all the gear so we can finish the shoot before the sun gets too hot, and then it's back to bed for a nap so we're fresh to do another shoot in the evening. Thankfully the girls tend to have more fun. "I get up at around nine for make-up, and then the guys tell me to get naked and they take some pictures," says Suzie with a giggle. "Then I get to relax on the beach in my bikini. Easy peasy." What about blokes? You must be beating them off with a shitty stick. "Well, there might have been this hunky fella with a big cock fucking me in my hotel room," she says with a wry smile. "And there may have been this hot waiter guy screwing me on the beach, but hey… I don't want to give everything away."

'THERE MIGHT HAVE BEEN A FELLA WITH A BIG COCK FUCKING ME IN MY ROOM!'

CONFESSIONS of a CHEERLEADER

Got a filthy tale or two to tell? Get it on an e-mail to *tamara@paulraymond.com* and you could earn yourself a sweet £100! Prove it to be true with some snaps!

You know those really annoying girls at school – the ones with brains, personality and looks to die for? Those cock teasers with long smooth legs and pert tits, big innocent eyes matched with lips made for sucking cock? The type that got every boy erect at the most inappropriate times just by walking by? Well, that was me five years ago in the USA, my home country.

By the time I reached college I had made it to my personal goal, head cheerleader. Which is really code for Head I-get-to fuck-who-I-want-whenever-I want girl. And that was exactly what I did until I left the States to come and teach PE over here in the UK. I couldn't believe it when I realised you guys don't have cheerleaders for your college football teams. No wonder the boys were so crap - they had no sexy girls to cheer them on!

It was the first thing I changed, and I soon had the sixth form cheerleading squad up and running. Of course I only chose the cutest girls and decked them out in tiny mini skirts, just short enough to show off their white pants, and boob tubes.

Every cheerleader should look her best, and I have always taken the time and money to make my body perfect and flawless. After all, what guy could resist a size 8, sexy, athletic girl like me – especially with breasts like mine that stand to attention like two little soldiers. I've spent my whole life looking as good as possible. And once I see a guy I want to fuck, I don't want any inhibitions to stop me losing complete control. I love men loving my body.

With my team of mini-me's looking hot and sexy, soon every 18-year-old guy in college was begging to be in the team. Including a gorgeous, sexy lad called Jimmy. He was the first guy I'd noticed, even though he was four years younger than me. I'd seen him checking me out and offering me cute smiles (or were they dirty grins?) whenever I looked towards him. After rehearsals one day, all the lads were lined up on the bench ready to see the girls practice. Looking over at Jimmy, I couldn't help put notice his shorts had ridden up high on his thighs. He noticed me looking.

Staring at me, not taking his eyes off me for one second, his hand reached down into his shorts and he pulled his cock out to the side. My knees went weak as I watched him stroking himself.

> **'CUPPING HIS BALLS IN MY HANDS, I PUSHED HIM DEEPER UNTIL HE WAS IN MY THROAT!'**

Putting himself back in his pants, he gave me one of those pussy-melting smiles and raised his eyebrows. I could feel my cunt swell, my nipples getting hard and my body prepare itself for sex.

I could barely concentrate the whole session, as I wanted that beautiful penis in my mouth, my pussy and all over me. It was the longest hour at work, but it was soon over and the girls and guys dispersed to the changing rooms.

Jimmy stayed on the bench and beckoned me over. Checking that everyone had gone, I shimmied over and sat next to him, my sticky thigh resting against his leg.

'So, did you like my performance?' he said. I was not in the mood for small talk as I was horny as hell. I slid my hands up my legs from my knees to my pussy, slowly parting my legs, showing my bare, smooth lips. They were glistening with pussy juice and I couldn't resist having a fingerdip before lifting my soaked fingers up towards his mouth. His lips opened and, as I pushed them in, he eagerly sucked them clean. Looking down, I cold see his hard-on trying to free itself from his shorts.

Standing up, I pulled down my skirt and ordered him into my office. He obeyed immediately, following me in like a hungry little puppy. I told him to shut the door and pull down the blinds, which he did. I just could't take my eyes off his bulging cock - oh, to be 18 again!

Taking control, I told him to free his cock. It bounced out with such energy I knew I was in for a good ride. I lifted up my top to reveal my sweating breasts. He lunged at them, licking, grabbing and biting them like a starving man.

I dropped to my knees, unable to wait another moment and took him in my mouth. I slid my mouth over his cock, my tongue tickling his shaft. Cupping his balls in my hands, I pushed him deeper until he was way back in my throat. I gobbled at him until my pussy screamed out for attention. Back on my feet, I moved over to my chair. Whipping off my panties I spread my legs and demanded he lick me out.

He got straight in there and lapped at my cunt, easing two fingers in my pussy and using his other hand to finger rim my arse. As he tongue-fucked me, I was surprised how experienced he seemed and knew I was on a home run.

As my pussy spasmed, he knew it was time to cock fuck me properly. Lifting me up and landing me face down on the edge of my desk he pushed his rock hard cock in my pussy and shot a finger up my arse.

I gasped in delighted shock as he fucked my holes like a pro, switching between my pussy and butt. Only a short moment later, I was squirting pussy cream all over his cock and over my paperwork too.

He asked if he could come in my arse and I happily agreed. As soon as I said yes, I felt the delicious sensation of hot spunk filling me up. We both fell to the floor, panting and covered in fuck muck.

And this, Great Britain, is why every college and every university needs a cheerleading team!

'HE FUCKED ME LIKE A PRO, SWITCHING BETWEEN MY PUSSY AND BUTT!'

TOSHIBA TG01

We here at *ClubDVD* don't want to immediately subscribe to the well-worn theory that 'bigger is better' but, let's be honest, when your girlfriend says this to you, it's pretty obvious she's lying. Therefore, it's strange that Toshiba's new handset can brag about having a screen that's more than four whole inches! Well, 4.1 to be exact, and in the world of mobile phones that's positively Ron Jeremy-like. However, in the ultimate contradiction, it can also brag about lacking any major girth, making it the hand-held equivalent of a flat-screen TV (almost). On top of all this it has a super-fast and – crucially – less power-consuming processor, which, to carry on the appendage theme, means you can outlast your premature iPhone rivals who've blown their wad early by downloading a pointless 'app' that lets you put a photo of your face on Dot Cotton's body.

Pros: Look at the size of that bloody screen!

Cons: It runs Windows Mobile which is not exactly the operating system of choice.

£450 (or free with some contracts) *www.toshiba.com*

DUALIT KITCHEN RADIO

Now here's something to buy for the middle-class image-conscious friends in your life (AKA ponces) who already have a Phillipe Starck lemon-squeezer, some sort of trendy Alessi corkscrew and of course, the pre-requisite Dualit toaster... a shiny new Dualit Kitchen Radio! There are few things that signify the middle classes more than stainless steel, retro design and a 'wireless' in the kitchen, so here you have all three in one and actually it's pretty damn good. As is the Dualit way, it's not made by Year 9 children on a DT project, and is built to last (although the exterior will take a little more maintenance than an that of your iPod) and the DAB radio is rock solid. Also, imagine the 'hilarity' when you pretend to put some bread in it by mistake the morning after a dinner party.

Pros: Clarity is great, with the single speaker more beefy than it looks.

Cons: It's expensive. You've got to really like those friends... or yourself.

Nano nano, Mork calling Orson!

APPLE IPOD NANO 5G

The Nano has always had limitations, thus making everyone who bought a better performing alternative slightly smug towards those whose imagination won't extend beyond the letter i. Nonetheless, even those people may actually have to concede that this time round it seems like they've got it right. Although it looks pretty much the same as before, on closer inspection the screen is slightly larger and is equipped with a better aspect ratio than previous models. Plus, they've added movie-making facilities, an FM Radio (with pause function) and crucially improved the sound (just don't think you can use the crappy headphones they supply you with to access it properly). In fact, for once, you can confidently buy a Nano without the promise of three weeks down the line realising that you really shouldn't have just been suckered in by the 'pretty colour'.

Pros: Quality of both sound and vision, and the added bonus of an FM Radio.

Cons: Tricky to actually use as a camcorder due to a stupid lens placing, so for that you'd be better off buying, well... a camcorder.

£115+ *www.apple.com*

Behold, the instant wife-loser!

VISIONRACER VR3 DRIVING

Now this is something for people who are so desperate to experience reality in their living room that they are simultaneously prepared to lose all grasp of actual reality. I mean, can you imagine walking into a house and in front of the pre-requisite plasma, there's a full Formula 1 style racing chair? Of course you can! It would be amazing, right? So, if for some mental reason you're not already convinced, then let us tell you it has a Logitech steering wheel, pedals, perfectly placed gear shift, comfortable sitting position and all the juddering feel of real racing. Add in some speakers with a nearby headphone jack and you can drive long through the night without upsetting anybody. However, conversely, if you are in a relationship with a real-life lady and want it to end quickly, arriving home with one of these will pretty much do the job.

Pros: Looks and build both great.

Cons: Oh, if we have to... it's pretty expensive at close to a grand for the full kit.

£649 *www.visionracer.com*

AUGUST FREEVIEW TV

Anytime the selling point of a piece of technology is the ability to watch in the 'palm of your hand', then we're immediately interested (obviously if it said 'palms of your hands' we may have a problem). Even better is the fact that this piece of kit from August also allows us to view multimedia files, like avi. video files and, crucially, photos, so you can always have those pictures of the wife and kids to hand... or alternatively those other important women in your life that you like to look at from time to time! Of course, the main point of this is that you can also view Freeview on the move; so as well as being able to have a wank pretty much anywhere, you'll never miss another episode of *Reaper*.

Pros: Crystal clear TFT screen and good basic Freeview reception.

Cons: No replaceable battery so may have a transportable shelf life, once it finally gives up.

MILF CAFÉ

DVD OF THE MONTH

Private

It's unsung work, but someone has to do it: Coming up with a universally applicable way of categorising MILF's. Why the need? Well, once you've seen a 20-year-old porn starlet lining up in a MILF movie, you know the world is spinning out of control. Okay, technically you can be a mum at 20, younger even, but the whole point of MILF porn is that it houses sexy older women. For me, that has to start in the mid to late 30's. The ideal age is about 42 – that way, you can have drinks with a mate and tell him you'd like to bum his mum. That always goes down well. GILFS start at 55, by the way. Don't even get me started on cougars. And what of the *MILF Café*? Well, some of the patrons aren't remotely MILFish, in my humble opinion. But that didn't stop me from losing several gallons of joy juice over each and every one. Yup, with cock in hand, my foolproof MILF categorising system suddenly falls apart…

TERA PATRICK'S

PORNSTAR POOL PARTY

Vivid / Teravision

Vivid and Teravision – two porn companies with big reps. Here they combine to make cock kryptonite, and possibly the worst porno I've seen in many a year. How could it go wrong? Tera Patrick! Loads of top tuppence lickers! Well, it turns out that Tera is only hosting the party, she's not actually involved. We don't see so much as a boob. And the other sex scenes barely get started before the heat disappears and we're off to the next one. And there are comedy dwarves everywhere. This DVD is truly a waste of a good coaster.

1/10

I'm sure the army don't allow that yet!

I'd like a second opinion please!

BISEXUAL CLINIC

Private

I was hoping, when I popped this into the DVD player, that these bisexuals were the right kind of bisexuals. In other words, women who liked fanny as well as fuckstick. I was sorely disappointed. Whilst I'm in no way homophobic, my love of all things porn does not extend to watching men daisy chaining each other with a woman on the end. It mixes things I like – women getting fucked – with things that confuse me. I don't like being confused.

SEX IN MY PJS

New Sensations

Just like there's something about a woman naked except for a man's shirt, there's definitely something about a woman in a pair of old fashioned men's pyjamas as well. And if that's the case – which it is – then Sadie West in pyjamas is a no-brainer. That woman has so many curves she's virtually a circle. If I was wearing pjyamas near her, there'd be an obvious and unsightly bulge in them. Well, not unsightly to Sadie. She'd be all over it. Yes she would. That's precisely what would happen.

Go West, hung man!

She thought she was having the aubergine for dinner!

MYEMOBITCH.COM

SITE OF THE MONTH!

At first glance, I thought this was called 'My Emu Bitch'. Now, that would be one hell of a site, although it wouldn't be the same without Rod Hull, who obviously can't be with us since falling the fuck off his roof. We hardly knew ye. All of which is by the by, anyway, because it isn't Emu, it's Emo. Yup, moody looking bints who go heavy on the eyeliner and rebel against society's norms by, erm, creating an equally dull norm all of their own. They probably listen to shit angsty music that 'expresses their pain'. Yes, it must be painful having your boyfriend who pretends to be all emo too film you sucking his cock and then post it up on the internets for losers like me – who hold you in contempt – to jerk off to. Isn't it nice how porn makes us all friends?

ROOKIEBABE.COM

A film called *Rookie Babe* would be amazing. It'd be Charlie Sheen riding around on the back of a talking pig. Imagine that. This site isn't quite as good as that high concept classic in the making, but it's still bloody nice. Sometimes you need a breather from the high-end porn chicks who you've seen do it all at least 20 times. When that time comes, the likes of Rookie Babe, with its softcore newbies, is like a breath of fresh air. The other thing is – no offence to porn girls – that when you do a site where the girls don't have to chug cock and near drown in jizz, you get some incredibly, eye-wateringly hot ladies. And here they are.

DAWNSPLACE.COM

Do guys really make passes at girls that wear glasses? Well, you would if you were anywhere near amateur pornstress Dawn. Glasses, big knockers, love for cock – who could resist? I'm always confused by breast sizes. I know that there are D's, I know that there are double D's. But when do double D's become E's? Dawn's site advertises her magnificent mams as DDD's. Yup, three D's. It also says 'F Cup'. Again, what happened to 'E'? Regardless, it's good to see those tits gets fucked and glazed, something that also happens to her mouth frequently too. She's like Wifey at large, and her site is a fun place to spend time. I'd give it an A, but three D's seems more appropriate...

MY FATHER WAS KILLED BY NINJAS NEED MONEY FOR KARATE LESSONS

Statistics show that 1 in 100 men can suck their own penis.
This explains why there's always one irritating, smug bastard in every office.

What's worse? Fog or eating pussy?
Fog, because at least when you're eating pussy you can see the asshole in front of you!

Three guys are discussing women. "I like to watch a woman's tits best," the first guy says. The second says "I like to look at a woman's arse." He asks the third guy "What about you?" "Me? I prefer to see the top of her head."

My husband came home with a tube of KY jelly and said, "This will make you happy tonight." He was right. When he went out of the bedroom, I squirted it all over the doorknobs. He couldn't get back in.

Did you hear about the porn star who had two chances to get pregnant?
She blew them both.

Why do brides smile so much?
Because they know they don't have to give any more blow jobs.

Why don't you ever meet guys who can suck their own cock?
Because they haven't left the house yet.

Two men in a bar.
One says to the other.
"Fuck knows what women see in Fred, he just sits there licking his eyebrows."

What do smoking cigarettes and licking pussy have in common?
The flavour gets stronger as you get closer to the butt.

The missus loves it when I speak French, Italian and Spanish when I'm licking her out.
I really am a cunning linguist.

What's the worst thing about the growth in unemployment?
It gets harder to bang your girlfriend with her husband there.

I'm still having sex at 87.
It's only across the road from us at number 84, but my wife still doesn't notice.

I wonder: do infants enjoy infancy as much as adults enjoy adultery?

Two guys in a health club, one is putting on lace knickers.
"Since when do you wear women's pants?"
"Since my wife found them in the glove compartment!"

What are the 3 words you never want to hear while making love?
"Honey, I'm home."

Statistically 60% of people use their mobile phone to cheat on their partners.
Personally, I prefer to use my penis.

How do you know when your girlfriend is sucking your cock too hard?
The bed sheets are lodged in your arsehole.

A couple drove down a country road, not saying a word. An earlier discussion had led to an argument, and neither would concede their position. As they passed a barnyard of mules and pigs, the wife sarcastically asked, "Relatives of yours?" "Yes," the husband replied. "In-laws."

So I persuaded her by saying that if she gave me a tit wank then I'd give her a pearl necklace.
Some girls really are gullible!

My boss went ballistic yesterday because I popped out to have a perve at all the scantily clad women on the nearest high street.
Mind you, he does have a point.
I work on an oil rig.

An old lady was standing at the railing of the cruise ship holding her hat on tightly so that it would not blow off in the wind.
A gentleman approached her and said, "Pardon me, madam. I do not intend to be forward, but did you know that your dress is blowing up in this high wind?"
"Yes, I know," said the lady, "I need both hands to hold onto this hat."
"But, madam, you must know that your privates are exposed!" said the gentleman in earnest.
The woman looked down, then back up at the man and replied, "Sir, anything you see down there is 85-years-old. I just bought this hat yesterday!"

I woke up this morning at the crack of dawn.
I said, "Dawn, get off my face."

Why can lesbians only count up to 68?
Because 69's a bit of a mouthful.

What is the definition of a perfect lover?
A man with a nine inch tongue who can breathe through his ears.

Ask Em

Our very own bondage queen just *loves* to be of service. And if she can't be there to fuck you in person, then at least she can help solve your saucy sexual dilemmas! So send 'em in and let Em at 'em…

Dear Em,
For my husbands 30th I gave him a threesome and then a foursome for his 40th. He is 50 next week and I'm too exhausted to contemplate a fivesome! Any suggestions for an alternative pressie?
Jillie, Somerset

Your husband is one lucky chap, so if you want to put your feet up this year, then you should. Why don't you just get four other girls and guys (whatever floats his boat) to do the hard work for you and offer to take some pictures. Or just bugger off downstairs to catch up on a good book, leaving them to get on with it.

Oh, you meant another bloke – what a stitch-up!

Dear Em,
I've been with this great girl for a few months and am over the moon to have pulled such a cracker. The other night she asked me how many other birds I'd been with – the truth is over 40, but I reckon if I tell her she'll do one. Shall I lie, and if so what is a respectable number to keep you ladies sweet?
Will, Hartlepool

40 is nothing my little apprentice – you should see my scoreboard! You shouldn't really have to lie. But, if it's the only way to keep getting the good stuff, admit to between 8-14 I reckon. Any less than 8 and you're too inexperienced. Any more than 14 and you'll be seen as a male-slag by anyone sad enough to judge.

'Do these count as my five-a-day?'

Dear Em,
My wife and me got hitched a few weeks ago. Over night she went from an adventurous, highly-sexed woman to a frigid frumpy mess. When I suggested one of our usual nights out (which usually end in a bit of threesome) she said that now she is a married woman she wants be more respectable. What the fuck?
Tyler, Leeds

Hump to frump!

She should really have warned you of such an upsetting change. What's happened to you is exactly what puts me off tying the knot. But back you to: well, I'd personally tell her it that it is your conjugal right to get your oats and if she still refuses, have an affair like a proper married man and show her what she is missing!

Nice top-lap!

Dear Em,
I work for a woman who is very demanding and just loves the fact she has a male PA. We get on very well despite her being a bit dominant and neurotic. She is 38 and very glam, I'm 19. Last week we went for a drink and she ended up telling me she has a very high sex drive – but doesn't want to be in a relationship. She then offered to pay me for sex a few times a week. It's a lot of money and to be honest I'd do it for free – do you think I'm mad to go for it?
Andy, London

Goodness me, you are about 1000 years behind millions of female PA's who get this sort of predicament all the time. Most of the time without the overtime rate. If you'd do her for free then take the money and enjoy yourself. Just don't go falling in love with her, or getting her up the duff! Although you might end up cashing in even more at an employment tribunal!

Have you got a sexual problem? Don't take it out on a six-pack of Stella – write in to 'Ask Em' at *Club DVD*, 3rd Floor, 207 Old Street, London, EC1V 9NR.
